38	FINALE					

Our Recital is divided into three shows, above is the TENTATIVE order of the show. Please review carefully for any back to back performances for your student(s) and notify the reception desk of any back to back performances by Friday, May 17th. These orders will become FINAL on Monday, May 20th; after May 20th the show orders and programs cannot be modified. We appreciate your assistance with this review.

Please note there are some instances where a quick change was necessary for students in multiple classes. A quick change is considered three routines or less, there is a space at the venue dedicated for quick change. Please keep in mind each routine is a minimum of two minutes to perform including entering and exiting stage; most class routines are over two minutes.

Dance Production and Baton Production are extended time routines, these routines are over five minutes long.
