RECITAL PICTURES

The recital picture schedule is complete and attached to the end of the newsletter. It will also be posted on our website and outside the 810 studio. Non-competition class pictures are scheduled for **Saturday, April 26th.**

Competition Baton, Competition Dance, Competition Hip Hop, and select senior-level classes are scheduled for **Friday, April 25th.** Please check the schedule carefully to ensure that your student arrives to the correct location at the correct time. Due to the use of multiple studio spaces, it is possible that your student's pictures will be in a different location than their regular weekly classes. Students should arrive in costume and ready for pictures 10 minutes before their scheduled picture time. If your student is unable to be at pictures, please let us know in advance so that we do not delay our schedule waiting for them.

All pictures will take place at **Crayons to Pencils** in the gym, which can be entered on the back side of the building.

COSTUMES

Many of our classes have already received their recital costumes! As a reminder, these are being handed out on a rolling basis, and will continue to be distributed through the first two weeks of April. Should you feel as though your child needs a different size costume, please let us know IMMEDIATELY. (Students may be asked to wear original costumes for pictures until a replacement can be obtained.) Once your student brings their costume home, please be sure to store the costume and all accessories in a safe place. Lost or damaged costumes will not be replaced.

**It is important to remember that dance costumes are made to stock sizing specifications, and not to the individual measurements of each dancer. Every effort is made to determine the best fit for your student based on our measurements and the costume company's sizing chart. As is the nature of most dance attire, the fit of a costume should be snug, although not restrictive. If your student's costume requires more than a small alteration, please return the costume, in its original packaging, to the studio as soon as possible.

SHOES & TIGHTS

If you have not done so already, it is time to start ordering your shoes and tights for recital. All students will need to have the proper shoes and tights for studio pictures on **Saturday, April 26th**. As a reminder, both shoe and tight orders must be placed at our **810 Main Street location**. Please do not wait until the last minute as inventory can be limited. Front desk staff will be available to help with sizing/ordering Monday–Thursday evening during regular class hours. Once shipments are received, all items will be delivered to the location of your student’s class.
