

2019 DANCE COMPETITION MAKEUP

Below is the list of makeup required for the 2019 Dance Competition team. The makeup below can be purchased at any retail store that sells the brands/colors listed. The studio chose these at Wal-Mart, however, most of the large retailers in the Des Moines area carry these brands. The colors below are the same or similar to prior year's colors; if you have the blush and eye shadow from prior years there is not a need to purchase new makeup. The lipstick colors are also the same, however please double check the color requirements for noted teams that will require pink lipstick. All team members will need both the red & the pink lipstick for their routines this season.

Please note that we've provided multiple options in the same colors in case some of the stores do not carry all brands or are out of certain colors; you only need to purchase one brand from the list below as noted. Thanks and please see the reception desk with any questions.
