Superstars will continue to operate out of temporary studio space for the 2023-2024 season. The 810 Main Street location will serve as our primary studio, while the Crayons 2 Pencils Recreation Center will provide supplementary space for some of our larger classes. We are grateful to have this opportunity to continue studio operations while we await construction on a permanent home for Superstars! Thank you in advance for your continued support, understanding, and patience!
